LCSW-C

Description

Maryland Psychiatric Care is seeking a compassionate, licensed LCSW-C to join our growing behavioral health team serving clients across Maryland. This is an excellent opportunity for a clinician who values flexibility, collaboration, and providing high-quality mental health care in a supportive environment.

Responsibilities

- Provide individual, family, and/or group therapy
- Conduct psychosocial assessments and treatment planning
- Maintain timely, accurate clinical documentation
- Collaborate with psychiatric providers and care team
- Deliver trauma-informed, culturally responsive care

Qualifications

- Active Maryland LCSW-C license (required)
- Experience in outpatient mental health preferred
- Strong clinical, documentation, and communication skills
- Ability to work independently and as part of a multidisciplinary team

What We Offer

- Flexible scheduling (evening/telehealth options available)
- Administrative and billing support
- Referral stream to help build/maintain caseload
- Supportive, collaborative clinical environment
- Competitive compensation (salary or fee-for-service)

Hiring organization

Maryland Psychiatric Care

Employment Type

Full-time, Contractor

Job Location

3050 Crain Highway, 20601,
Waldorf, Maryland
